

Re-opening of Outdoor Gym Equipment – Dale Crescent, Fernwood

Adopted by Fernwood Parish Council on July 20th 2020

Risk Assessment

The Government recently announced that Play Parks could be re-opened on 4 July 2020 and subsequently produced guidance offering “practical advice on how these can be reopened and managed effectively to enable their use while minimising the transmission risk of COVID-19”. The guidance is available at:

<https://www.gov.uk/government/publications/covid-19-guidance-for-managing-playgrounds-and-outdoor-gyms/covid-19-guidance-for-managing-playgrounds-and-outdoor-gyms>

The guidance includes a requirement to “carry out an appropriate COVID-19 risk assessment”. It is made very clear that “Failure to complete a risk assessment which takes account of COVID-19, or completing a risk assessment but failing to put in place sufficient measures to manage the risk of COVID-19, could constitute a breach of health and safety law”. On that basis, this Risk Assessment takes each of the Key Principles as set out in the guidance and assesses whether or not practical arrangements can be put in place in the context of the gym equipment on Dale Crescent green.

| Key Principle | Government Guidance | Assessment | Conclusion |
|---|---|--|----------------------------|
| General Maintenance Issues following Lockdown | Ensure equipment is safe to use and that risks from damaged or defective equipment are addressed before opening. | Caretaker has done the weekly checks throughout lockdown. Annual checks being organised | Ready to go 4/7/20 |
| Social Distancing | Put in place measures to support social distancing – 2m or 1m plus risk mitigations. Examples given include: <ul style="list-style-type: none"> • Limit number of users at any one time • Booking system | Signage advising users to maintain social distancing | Will be ready to go 4/7/20 |
