

Welcome to the October 2026

FERNWOOD GAZETTE

As autumn arrives, the Parish Council continues to work on a range of projects while looking ahead to community activities. We're making small improvements in the woodland including new habitats and bug houses, moving ahead with plans for the village hall to extend for users and also looking at sports provisions for all ages. This is alongside work across the community, reviewing planning applications and supporting the office team with day-to-day activities. If you have anything you would like councillors to consider, please do attend a meeting to reach out.

We'd like to thank everyone who came to the Summer event and Safari, which were both a fantastic success. Now we move into the colder months, we still have plenty coming up. Our annual Pumpkin Carving Competition returns this October, followed by Remembrance events and Christmas celebrations to help bring the community together. Keep an eye on our social media channels for further details. If you are interested in getting involved, do reach out to the staff team at the village hall.

Residents are also doing some great work in the community, including the litter picking Wombles every Sunday and new groups at the village hall. Well done to all whom have volunteered and continue to support!

As always, thank you for your continued support of the community in Fernwood including events and general improvements. We look forward to seeing many of you at our upcoming events or meetings. Please do feel free to reach out to the clerk with any questions, ideas or suggestions or speak to one of the Parish Councillors when out and about. We love hearing new ideas for all residents in Fernwood!

PARISH COUNCIL UPDATE

Office opening times:

Monday - Friday
10am – 1pm

Fernwood Parish Council, Fernwood Village Hall, Rubys
Avenue, Fernwood, NG24 3RS

Email: office@fernwood-pc.co.uk
Telephone: 01636 613024

A message from: Councillor Wood

Autumn is on our doorstep and darker evenings are settling in. As the seasons change, please remember that all anti-social behaviour is still of note and should be reported to the appropriate authorities. We are looking forward to the next few months from trick or treating on Halloween and the festival of Remembrance from 8-11 November with a parade on Main Steet Balderton 8 Nov @10:45 to St.Giles church and to the Methodist church.

December is also on our radar with some great festive events at the Village Hall. And the Fernwood Wombles are not just fair-weather litter pickers, the majority of us will endeavour to continue through the autumn/winter months. We meet every Sunday at 10am meeting outside The Brews Café. You might have noticed the new larger bins around the playing field and playpark; these should help to reduce the old overflowing bin issues. Any issues, please do stop for a chat!

Our meetings

Councillors meet most months to discuss issues and plans. These meetings are published online beforehand. Residents are welcome at the first 15 minutes for open discussion, to raise any concerns or ask any questions regarding the agenda. Our minutes and agendas are posted online, as well as on our noticeboards which are on the side of the village hall and on Goldstraw Lane, opposite the clock tower.

Parish Councillors are unpaid volunteers who undertake the role in their spare time. Any formal requests should be directed to the Clerk.

Upcoming meeting details:

Monday 19th October
Monday 16th November

Residents are always welcome to come into the parish council office in the village hall if they have any queries. You can also follow our Facebook page for regular updates on the Council's work.

FERNWOOD WOMBLES LITTER PICK

Our fantastic Fernwood Wombles are always looking for more volunteers to help keep our village looking its best at their regular litter pick. If you can spare an hour, they meet most Sunday's at 10:00am, meeting outside Brews. Check social media for updates on times! They bring all the equipment you'll need so whether you're a regular or it's your first time, everyone is welcome. Every extra pair of hands makes a difference! Come along, meet your neighbours, and help keep Fernwood clean and tidy. The Parish Council would like to say a huge thank you to those who have supported and the Wombles for their fantastic work keeping Fernwood tidy. Please do support them if you can!

ANNUAL PUMPKIN CARVING

COMPETITION

OUR POPULAR VILLAGE PUMPKIN CARVING COMPETITION IS BACK THIS OCTOBER, AND WE CAN'T WAIT TO SEE YOUR SPOOKY, SILLY AND SPECTACULAR CREATIONS! WHETHER YOU'RE A SEASONED PUMPKIN ARTIST OR GIVING IT A GO FOR THE FIRST TIME, EVERYONE IS ENCOURAGED TO TAKE PART. GET THE WHOLE FAMILY INVOLVED AND SHOW OFF YOUR CREATIVITY.

HOW TO ENTER:

CARVE YOUR PUMPKIN AT HOME.

DROP YOUR ENTRY OFF AT THE VILLAGE HALL BEFORE FRIDAY 30TH OCTOBER.

ENTRIES WILL BE DISPLAYED FOR EVERYONE TO ENJOY, WITH JUDGING TAKING PLACE SHORTLY AFTERWARDS.

THERE ARE PRIZES TO BE WON SO GET CARVING AND JOIN IN THE HALLOWEEN FUN!

WE LOOK FORWARD TO SEEING ALL OF YOUR FANTASTIC CREATIONS.

SUMMER EVENT 2026

A huge thank you to everyone who joined us for this year's Fernwood Summer Event back in July. It was wonderful to see so many residents enjoying a fantastic and very sunny afternoon together.

From the live music, local stall holders and a range of children's activities, there was something for everyone. The food vans proved incredibly popular, the bouncy castle kept youngsters entertained throughout the day, and the annual Scarecrow Competition was once again a huge success, with some wonderfully creative entries on display. It will be back next year so get thinking!

Events like these simply wouldn't be possible without the dedication of so many people behind the scenes. Thank you to all of the Parish Council staff and councillors who helped organise, set up and run the day. Your hard work made another great community event! See you again next year...

TACKLING ANTI-SOCIAL BEHAVIOUR

The Parish Council continues to work closely with Nottinghamshire Police and the District Council to address anti-social behaviour in Fernwood. The Clerk has met regularly with local police to discuss ongoing concerns, and CCTV footage is shared with the relevant authorities whenever requested to support investigations. We are aware there is an ongoing issue with e-bikes and scooters in the main playpark areas and have informed police of this.

We'd also encourage residents to attend the regular Police Surgeries held at the Village Hall, where you can raise concerns and speak directly with your neighbourhood policing team.

Most importantly, please report all incidents of anti-social behaviour directly. Action and resources are allocated based on reports; if issues aren't reported, they aren't reflected in the data used to determine policing priorities.

If you witness anti-social behaviour, please report by:

- Calling 101 (or 999 in an emergency).
- Completing the Anti-Social Behaviour reporting form on Newark and Sherwood District website for less urgent reports.

As Quarrying Ends, Nature Returns

For many residents, Bantymock Quarry has always been part of the landscape. Now, as quarrying at the north section comes to an end, the area is beginning a new chapter, with restoration work underway to create new habitats for wildlife and, in time, opportunities for public access.

Bantymock Restoration Plan

What happens next?

2026: Backfilling work

2027: Land shaping and topsoil replacement

2028: Habitat creation, planting and ecological management

Did You Know?

Newark sits on a high-quality gypsum deposit that has supported local industry for generations. The gypsum extracted here finds its way into some surprising places.

While Bantymock North moves into restoration, Bantymock South continues to operate as usual.

Thank you, from the Saint-Gobain Formula Team

We are grateful for the patience and understanding shown by residents over many years. If you would like to contact us, or find out more about what we do, please visit the Saint-Gobain Formula website.

Working together to tackle dog fouling in Fernwood

Fernwood Parish Council is pleased to be working with Newark and Sherwood District Council to help reduce dog fouling across the village.

What's happening? Potential new bins. Following a review of dog fouling hotspots, the Parish and District Councils are exploring whether additional bins could be installed in key locations. Any proposed sites will need to be assessed and appropriate permissions obtained. If suitable locations can be identified and approved, additional bins could make it easier for residents and dog walkers to dispose of on-the-go rubbish and dog waste responsibly.

Friendly reminder signage Signage from Keep Britain Tidy's well-known campaign, "There's No Such Thing as the Dog Poo Fairy", has already been installed at dog fouling hotspots around the village. These eye-catching signs remind dog owners to pick up after their pets. Stickers on general waste bins emptied by Newark and Sherwood District Council also reinforce the message that "any bin will do" when it comes to disposing of dog waste. Evidence shows that clear, well-placed signs can help encourage responsible behaviour and reduce dog fouling.

Report full or overflowing bins QR code stickers have been added to dog waste bins across Fernwood, making it quicker and easier for residents to report full or overflowing bins through the Newark and Sherwood District Council website. A reminder that dog waste can be disposed of in both public litter bins and dog waste bins while out walking your dog. At home, pet waste should be placed in your household general waste bin, not in public bins. Disposing of household pet waste in public bins is classed as fly-tipping and can cause bins to overflow, making them unavailable for other users.

We're excited to be working with Newark and Sherwood District Council on this campaign. Keep an eye on our social media channels for updates.

Fernwood Central Residents Association (FCRA)

Our notice board was recently demolished by an anonymous careless parker a little while ago. The Association bought replacement parts and now Richard and his FirstPort team on Fernwood kindly resurrected it for us. Many thanks to them for their help with this.

Meanwhile, elsewhere in Central Fernwood, we wondered what FirstPort were doing with our money. At our AGM, that had been delayed to enable the FirstPort management to attend and present our overdue Accounts and Budget, they announced that they had “recalled” the accounts for 2024/25. This was version 2 and called the “Final Accounts”. At the same time, they recalled the Budget for 2026/27 that commenced on 1st June 2026. Accounts for 2024/25 version 3 has been provided on Creatio and we have been examining it prior to a meeting. At the time of writing, we are still waiting for version 2 of the budget. For anyone who is interested, the total expenditure for Fernwood Central was £453,201 of which the management fee was over £162,000. We are pressing for an explanation of the changes to the Accounts and what the nearly £37,000 had been spent on from our Reserves, which has depleted it to just over £24,000. The account for the S1 area, which is for all of the open spaces, was overspent by nearly £15,000. We may expect an additional bill to cover this.

Have you looked at the accounts and budget for your part of Fernwood recently? It is worth looking to ensure that you are content with how your fees have been spent. We are always looking for a fresh pair of eyes to check this out and provide a new opinion. Could you help?

For any queries on Fernwood management issues, or on the budget or accounts, please contact our Property Manager Vanessa Crane at: vanessa.crane@firstport.co.uk You are welcome to attend our meetings which are usually held on the last Wednesday of the month in the Village Hall with the agenda posted on our noticeboard and on our web site. The meeting schedule is also published on our web site at www.myfernwood.org

FERNWOOD SAFARI

A huge thank you to everyone who took part in the second ever Fernwood Safari sale around the village recently. A great day was had by many, whether clearing out and selling or grabbing a bargain. There were clothes, toys, books and baked goods on offer - plus many stalls at the village hall for residents to enjoy. This year we also had many visitors from Balderton come along as they too had their sale on the same day. It's great to see the two communities coming together. All money raised from maps sold in Fernwood will be donated to Jerry Green so thank you again for getting involved and taking part.

Cllr Shepherd is planning for the event to return next September. Anyone wishing to get involved or volunteer to lend a hand with the event should get in touch!

Merry Christmas

County Councillor Update

Over recent months, I have worked hard to make sure Fernwood receives the road maintenance it needs and that residents' concerns are taken seriously. A significant programme of patching and protective works has now taken place across Fernwood. In several locations, drilling and investigation work showed that sections of the road were already close to failure, while some areas had begun to deteriorate. By carrying out preventative work now, rather than waiting for those roads to fail completely, we can help extend the life of the surfaces by around ten years.

That is important for residents and for council taxpayers. Preventative maintenance is considerably better value than allowing roads to deteriorate to the point where full reconstruction is needed. The work carried out in Fernwood should therefore protect our local roads for years to come while potentially saving tens of thousands of pounds in more costly repairs later.

I have continued to push officers and Via to make sure Fernwood gets the attention it deserves, but I have also been clear when the delivery of the programme has not been good enough. Highways officers have themselves acknowledged that there have been "speed wobbles" in the wider rollout and that they have "dropped the ball on some of the basics", particularly when it comes to communication with residents and giving enough notice before work begins. They have now committed to getting letters out earlier, notifying wider areas and updating residents more quickly when plans change. I welcome that acknowledgement, but I will continue pressing for improvements where the service falls short. My priority remains making sure Fernwood gets good-quality road improvements, better communication and the best possible value for residents.

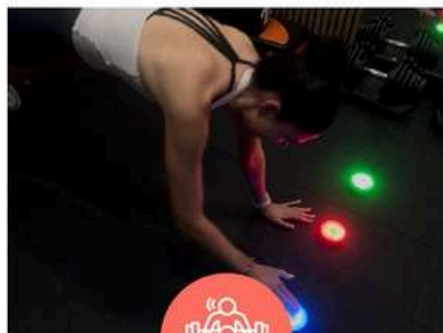

I will keep residents updated as the programme progresses and continue raising problems with officers whenever they are brought to me.

Councillor John Lee
